

HAMILTON COUNTY BOARD OF COMMISSIONERS
MAY 29, 2007

The Hamilton County Board of Commissioners met on Tuesday, May 29, 2007 in the Commissioners Courtroom in the Hamilton County Government and Judicial Center, One Hamilton County Square, Noblesville, Indiana. The Commissioners met in Executive Session in Conference Room 1A. Vice President Altman called the public session to order at 1:00 p.m. and declared a quorum present of Commissioner Christine Altman and Commissioner Steven A. Holt. Commissioner Steven C. Dillinger was absent. The Pledge of Allegiance was recited.

Approval of Minutes

Holt motioned to approve the minutes of May 14, 2007. Altman seconded. Motion carried unanimously.

Executive Session Memoranda

Holt motioned to approve the Executive Session Memoranda of May 29, 2007. Altman seconded. Motion carried unanimously.

Bid Opening [1:06:00]

Resurface Contract 07-1, Various Roads in Clay and Fall Creek Townships

Mr. Michael Howard opened the bids for Resurface Contract 07-1, Various Roads in Clay and Fall Creek Townships. Form 96, Non-Collusion Affidavit, Bid Bond and Acknowledgment of Addendum were included unless otherwise specified. 1) Calumet Asphalt - \$242,524.60. 2) E & B Paving - \$267,976.50. 3) Grady Brothers - \$233,000.00. 4) Milestone Contractors - \$267,341.00. 5) Rieth-Riley - \$285,711.00. 6) Shelly & Sands - \$249,738.95. Howard recommended the bids be forwarded to the highway department for review and recommendation later today. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Public Hearing [1:10:10]

Petition to Vacate Right of Way – Old State Road 238 East

Mr. Adam Richter, representing Northeast Medical Center owned by St. Vincent's Health. Richter stated this area is an unused paved right of way between Olivo Road and the current SR 238. It is generally not used by the public, it would open up the site for future medical development. The site will be used for a free standing medical building with an emergency department and ambulatory surgery center. Where the right of way is located would become parking or a ring road to circle the entire campus. Richter stated he has spoken with Tim Knapp of the highway department who has informed him of the commissioners' desire to table this matter for another month to allow them to speak with the Town of Fishers regarding a roundabout that is being built on Olivo Road and SR 238. Northeast Medical Center is fine with that; there is a construction timeline to start July 1. It is unknown if this will affect the area. The construction will be on a building that is located further east. For the parking and ring road, if we have the June meeting and the 30 days following that, it should be fine.

Altman opened the public hearing. [1:12:51]. No public comments. Altman closed the public hearing.

Altman stated this is not just the Town of Fishers, the county has viewed it as valuable right of way and we hold it in fee simple from the State. We have concerns about the straight abandonment with the bridge plans for over I-69 and meeting the county needs, Fishers needs and St. Vincent's needs. Richter stated the hospital understands that and wants to cooperate any way it can and is in favor of the bridge over I-69 and the roundabout.

Howard stated because we have a warranty deed from INDOT we find ourselves in a peculiar situation. Howard suggested for their title purposes, in addition to the ordinance vacating the right of way proffer a quit claim deed to be signed by the commissioners on behalf of the county. When we get the other issues resolved they should work through Tim (Knapp) he will be back with you as far as temporary construction right of ways and the right of way that will be needed for the roundabout. Hopefully with a lot of hard work we can get this put together in four weeks. Richter stated he understands, he does not have a copy of the warranty deed. Howard asked Richter to work with Tim (Knapp).

Plat Approval

Hinkle Creek Estates, Section 2 [1:15:07]

Holt motioned to amend the agenda to include a plat approval. Altman seconded. Motion carried unanimously. Mr. Joel Thurman recommended approval of the plat for Hinkle Creek Estates, Section 2. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Highway Business

Acceptance of Bonds/Letters of Credit – Highway Department

Thurman recommended acceptance of Bonds and Letters of Credit for the highway department. 1) HCHD B-06-0025 Western Surety Company Continuation Certificate of Annual Permit Bond No. 70112398 issued on behalf of SMACO to now expire June 2, 2008. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Agreements/Supplements

Small Structure #32011, 231st Street over Bear Slide Creek

Thurman requested approval of Engineering Agreement. HCHD #E-07-0004, with Crawford, Murphy & Tilly, Inc. for replacement of Small Structure #32011, 231st Street over Bear Slide Creek in Jackson Township. Holt motioned to approve. Altman seconded. Motion carried unanimously.

96th Street from Mollenkopf Road to Fall Creek Road

Thurman requested approval of Supplemental Agreement No. 1, HCHD #E-98-0015, with United Consulting Engineers, Inc. for reconstruction of 96th Street from 700' west of Mollenkopf Road to Fall Creek Road. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Concurrence with Traffic Study Correspondence

Thurman requested approval of the list of correspondence concerning investigations of requests for signage on Hamilton County Roads. 1) Michael Leuther regarding a request for multi-way Stops and speed survey in the Springs of Cambridge in Fall Creek Township. Thurman presented a revised letter that added verbiage that included a better explanation of the original letter. Holt motioned to approve. Altman seconded. Altman stated she is assuming they know they have the option of a speed hump if they get their neighbor's concurrence? Mr. Brad Davis stated that is explained in the letter. Motion carried unanimously. 2) Andrew Leeman regarding various requests on Strawtown Avenue east of SR 37 in White River Township. Holt motioned to approve. Altman seconded. Motion carried unanimously. 3) Timothy Fortner regarding Children at Play sign on Inverness Boulevard in Clay Township. Holt motioned to approve. Altman seconded. Altman confirmed that the highway department will be giving them a Playground sign? Thurman stated yes. Motion carried unanimously. 4) Shela Weesner regarding a Four-Way Stop at 226th Street and Anthony Road in Jackson Township. Thurman stated the highway department's recommendation is to keep it a two-way Stop but switch the stop condition from Anthony Road to 226th Street. Altman asked how significant is the difference in the traffic count? Altman stated knowing what happened on 103rd and College and how difficult it is to make an intersection change. Altman stated she is leery of doing it out there without a lot of signage for a long time.

HAMILTON COUNTY BOARD OF COMMISSIONERS
MAY 29, 2007

Thurman stated the traffic split was 58% to 42%. Currently the minor road is what stops. We would handle this similar to other intersections we have had to do this to. We don't like to do this, it presents issues for people familiar with the road. We typically install Stop Ahead signs with a warning flasher on each approach. At the actual intersection they will install "Cross Traffic Does Not Stop" signs. Holt stated the sign is currently on Anthony? Thurman stated it is currently on Anthony Road, it stops for 226th Street. 58% of the traffic is on 226th Street, 42% is on Anthony Road. Holt stated Anthony currently has the Stop sign; the majority of the traffic is on 226th, why would you change anything? Thurman stated Anthony currently has the most traffic and it stops with 58% of the traffic (he miss-stated the percentages). Altman stated the flip is logical but is it enough to make the disruption? Thurman stated the request is for a four-way stop; the split is approaching acceptable volumes. Mr. Chris Burt stated the other reason for changing it is to improve the site distance at the intersection. There is questionable site distance to the east because of a dip in the road on 226th Street. If 226th stops at Anthony they can see traffic approaching from Anthony. Thurman stated currently this intersection is a low volume intersection with 400 vehicles a day. Thurman stated three of the four corners is agricultural and currently planted in corn that will compromise site distance. We view that as a temporary condition for reduction of site distance. For three or four months, three of those corners will have corn on them and will strictly limit the site distance compared to what is there today. Holt asked what is south on Anthony Road? Thurman stated they have recently replaced a bridge on Anthony Road south of 226th Street. Holt stated he thinks there would be more people on a mission to get from A to B on 226th Street because of turning off of US 31 and going to Deming. Holt asked if there was any construction that may have skewed the warrants? Burt stated he performed the traffic counts twice, once in July 2006 while detour routes were in place and then in January 2007 when the detour routes were removed and that is the 58/42 traffic count. Holt stated given they are both relatively low traffic counts, maybe the four-way makes sense. Altman stated she is more concerned about the agriculture issue. Thurman stated they follow the MUTCD and you need a certain volume to make it a four-way stop. Altman stated her concern is that we pull the stop and people are used to it and will blow through the intersection. Altman motioned to table. Davis stated the MUTCD states these conditions as should be, it is not shall. Holt motioned to install a four-way. Altman seconded. Motion carried unanimously.

Official Actions

No Passing Zones

Thurman requested approval of an official action for the adoption of No Passing Zones. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Request to Advertise

Small Structure #13006, 104th Street/Thor Run

Thurman requested permission to advertise for bids for replacement of Small Structure #13006, 104th Street over Thor Run (Anderson Ditch) in Fall Creek Township. Holt motioned to approve. Altman seconded. Motion carried unanimously. Holt motioned to approve signing the Title Sheet for Small Structure #13006. Altman seconded. Motion carried unanimously.

Bid Award [1:32:18]

Resurface Contract 07-1

Thurman recommended the bid for Resurface Contract 07-1, Various Roads in Clay and Fall Creek Townships, be awarded to Grady Brothers for \$233,000. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Eagletown Road Small Structure

Davis stated they met with Calumet Paving on May 22nd and have agreed to the directions that need to take place on the Eagletown Road Small Structure with the exception of the southeast corner where there needs to be additional design work. They have agreed to do the dirt work and reshaping of additional rip-rap and paving to keep from further erosion of the other three quadrants. Davis stated their recommendation is to not proceed on the Performance Bond issue. Holt asked what about the broken tile? Davis stated they did a lot of exploration work at the time to find the broken tile, they did find some tile and gave it adequate outlet to the creek. The tile in question they can not find. The Surveyor has been asked to try and find that tile. Holt asked who will pay for the repair? Davis stated the Surveyor. Holt asked why would the people on that ditch pay for the repair rather than the contractor? Davis stated the highway department is going to pay for it. Holt asked why would we pay for it if the contractor drove through the field? Davis stated our inspector was on site and agrees they can not find the tile. Holt asked what does that have to do with it if they drove outside of the construction right of way, they got onto his field, the tile is broken. Whether they could find it to repair it or not, he can understand using the Surveyor's expertise to find it but why would the contractor not pay for the repair? Davis stated they have done all that is reasonable to find the tile. Holt stated they were not supposed to be out there in the first place. The tile is broken outside of the temporary right of way. Davis stated correct. Altman asked if there is any evidence that they were out there? Holt stated the landlord saw them out there and asked them to quit driving out there and they disregarded him. Mr. Faraz Khan stated when they met on site our inspector said he was working within the easement, he was not outside the right of way. He did not see him drive across the field nor where there any tire tracks. We can not verify he did or did not. Howard stated at the last meeting we were instructed to send a letter to the bonding company; after meeting with the highway department they were entitled to a final inspection, have a list and do final repairs. We have not exhausted our remedies under the contract which would permit us to go to the bonding company. Holt motioned to not revoke the bond at this time. Altman seconded. Motion carried unanimously.

Highway Annual Operation Report

Davis requested approval of the Highway Department's Annual Operational Report. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Altman recessed the meeting.

Altman called the meeting back to order. [1:53:38]

ISSD Purchase Orders

Ms. BJ Casali requested approval of a Purchase Order for NetTech to purchase 600 telephones and related equipment from the State QPA which saves the county 49%. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Casali requested approval of a Purchase Order for NetTech to purchase six (6) CISCO switches and related cables at a savings of 45%. Holt motioned to approve. Altman seconded. Motion carried unanimously.

HAMILTON COUNTY BOARD OF COMMISSIONERS
MAY 29, 2007

Casali requested approval of a purchase order for ASAP to purchase 250 MS Office Professional 2007 licenses. Holt motioned to approve. Altman seconded. Altman asked if it is mandatory we purchase the license for 2007? Casali stated it is mandatory to purchase an upgrade to 2007. Casali stated you purchase the license for 2007 but you have the ability to load an earlier version. Altman stated how long can we use 2003? Casali stated as long as we want to, at some point in time Microsoft ceases to support it. Altman stated that is a long way away. Altman stated she does not see the reason to incur the costs and manpower to reload all of the machines. Casali stated you have to buy the latest version, you don't have to load it but you have to buy the license. Altman stated if we bought more, we don't have to buy any and keep the existing version unless we have more machines to put it on. Casali stated that is why we are buying it, people say they are needing more machines. Altman stated do we have 250 new computers that we need software for? Casali stated correct, they may not be new machines but there are existing machines that did not have this software on it. We are loading the software because people at the Sheriff's office, Community Corrections and Juvenile Services also need it. Altman asked what version do they have now? Casali stated some of them don't have any. Altman stated those we would definitely have to buy software for, do we have to replace all of it? Casali stated no. Holt asked if Casali wants to buy 250 or up to 250? Casali stated we have to buy 250 additional licenses to meet the needs of what we currently have so we are in compliance with Microsoft's licensing. We checked how many PC's we have with Microsoft Office Professional on them. We have more equipment that has the software than we have licenses. There is a bulk purchase price. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Video Display

Casali stated they are working on the video display and as soon as they have information she will bring it to the commissioners.

Ordinance 05-29-07-A, Creating Enhanced Access Fund

Altman asked Diana Cleland if she has reviewed Ordinance 5-29-07A, Creating an Enhanced Access Fund and does it meet your needs as discussed by the Web Committee? Cleland stated yes. Altman asked if we have developed an attachment that sets forth all of the fees for remote enhanced access? Cleland stated yes. Altman asked if these are in line with the rates discussed and agreed to in the Web Committee? Cleland stated yes. Holt motioned to waive the rules for the purpose of passing the ordinance on first reading. Altman seconded. Motion carried unanimously. Holt motioned to adopt Ordinance 05-29-07-A. Altman seconded. Motion carried unanimously.

Service Agreements for Enhanced Access

Mr. Darren Murphy stated in addition to the ordinance there are two contracts, one with EDS Services and one with Paymentech. In order to implement the enhanced access we need both of these contracts approved. Paymentech has not sent back their final signed agreement. Murphy recommended the Board designate Commissioner Altman as a signatory on that agreement so it does not have to wait until the next meeting. Holt motioned to approve the contracts as outlined by the county attorney and designate Altman as the signatory on the contract that has not yet been determined. Altman seconded. Motion carried unanimously.

ERA Abatement Contract

Ms. Robin Ward requested approval of a Professional Services Agreement with Nexus Group, Inc. for ERA Abatement services for Adams, Clay, Noblesville, Wayne, and Washington Township Assessors. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Field Appraiser Contract

Ms. Debbie Folkerts requested approval of an agreement with Stephanie Yott of Jay Real Estate Services, Inc. for a field appraiser to help assess new construction in Clay and Jackson Townships. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Community Development Block Grant Public Service Contract

Mr. Mark McConaghy requested approval of a Public Service Contract for Community Caring Foundation paid from Community Development Block Grant funds. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Subrogation Payment Request

Mr. Ross Klippel requested approval to pay over the agreed settlement amount of an additional \$5,000 in regards to a subrogation claim. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Commissioner Committee Reports [2:06:42]

Radio Amateur Civil Emergency Services

Altman stated the Radio Amateur Civil Emergency Service (RACES) is holding a field day which is North and South America amateur radio operators competing on communication and service. They will set up at Morse Park on June 23 and 24.

Transit

Altman stated they are putting together a public information campaign on transit. She has met with Mayor Peterson and Steve Campbell on the parameters for funding. They may be looking at local funding.

Community Corrections Grant Application

Mr. Ralph Watson requested approval of the annual Community Corrections Grant Agreement and Application from the State of Indiana in an amount of \$820,117 for Fiscal Years 2007-2008. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Administration Assistant

Voter Registration Office

Mr. Fred Swift stated the Voters Registration office has moved. They need storage space for old original registrations. Swift stated there is some space in the lateral files in the commissioners' office. Holt asked why are they not using storage in the sub-basement? Swift stated there are no cages available and no one has volunteered to share their cage. Consensus was to allow the records to be stored in the commissioners' office.

Swift stated they have also requested a small refrigerator, most county offices are supplied with a refrigerator. Holt motioned to approve. Altman seconded. Motion carried unanimously.

County Maps

Swift stated he has received a cost for reproducing county maps for the county fair. The cost to produce a new map approximately is \$15,000. To copy the existing map would cost \$7,000.

Asian Grill County Employee Discount

Swift stated Sheena Randall has requested permission to notify employees of a discount at the Asian Grill. Consensus was to approve.

HAMILTON COUNTY BOARD OF COMMISSIONERS
MAY 29, 2007

ASC Claims Service Contract

Swift stated there was an error in the addition on the Alternative Services Concepts (ASC) contract for third party administration for liability and worker's compensation claims. The fee per claim investigated has not changed. Altman stated it was the minimum number we would pay for year that she wants reviewed. Swift stated Tracey (Fearrin Insurance) will send us an audit. They estimated the 2007 contract based on claims done in 2006, they only charge for claims investigated. Altman stated she does not have a problem as long as they are charging per claim. Swift recommended adopting the contract. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Juvenile Services Center

Captain Dan Stevens requested approval of the Certificates of Completion on the Juvenile Services Center from Weigand Construction, Hoosier Prestress, Inc., and Crown Corr, Inc. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Stevens requested approval of the release of retainage escrow accounts for Matrix Integration, LLC, Indianapolis Office Interiors, and Crown Corr. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Auditor [2:21:09]

2008 Holiday Schedule

Ms. Robin Mills requested approval of the 2008 Holiday Schedule. Discussion of the schedule followed. Altman suggested including a half day on December 24. Holt motioned to table until the next meeting.

County Clerk's Monthly Report

Mills requested acceptance of the Monthly Report of the Clerk of the Circuit Court dated April 30, 2007. Holt motioned to approve. Altman seconded. Motion carried unanimously.

County Treasurer's Monthly Report

Mills requested acceptance of the County Treasurer's Monthly Report dated April 30, 2007. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Acceptance of Bonds/Letters of Credit – Drainage Board

Mills requested acceptance of Bonds and Letters of Credit for the drainage board. 1) HCDB-2007-00004 – Bond Safeguard Insurance Company Performance Bond No. 5025227 for the reconstruction of the F.E. Hines Drina thru Slater Woods - \$35,400 (Riders changing amount of Bond from \$35,400 to \$87,360 and adding tree clearing and erosion control to Bond). 2) HCDB-2007-00013 – Community Bank Irrevocable Letter of Credit No. 362 for Hinkle Creek Estates Sec. 2 monuments and markers - \$2,970 (New Letter of Credit renews expired LOC for Sec. 2). 3) HCDB-2007-00014 – Community Bank Irrevocable Letter of Credit No. 363 for Hinkle Creek Estates Sec. 2 erosion control - \$30,510. (New Letter of Credit renews expired LOC for Sec. 2). 4) HCDB-2007-00015 – Community Bank Irrevocable Letter of Credit No. 364 for Hinkle Creek Estates Sec. 2 subsurface drain - \$27,500. (New Letter of Credit renews expired LOC for Sec. 2). 5) HCDB-2007-00016 – Community Bank Irrevocable Letter of Credit No. 365 for Hinkle Creek Estates Sec. 2 – stormwater system - \$156,675. (New Letter of Credit renews expired LOC for Sec. 2). 6) HCDB-2007-00018 – Western Surety Company Performance Bond No. 100 for Vegetation Control on Regulated Drains - \$20,052.21. 7) HCDB-2007-00019 – Cincinnati Insurance Company Site Improvement Performance Bond NO. B80 477993 for Cool Creek Village (Thompson Thrift) - \$54,010. 8) HCDB-2007-00020 – Bond Safeguard Insurance Company Subdivision Bond No. 5027032 for Maple Village Sec. 2 storm drainage, monuments and markers - \$254,088. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Release of Bonds/Letters of Credit – Drainage Board

Mills requested approval of the release of Bonds and Letters of Credit for the drainage board. 1) HCDB-B00-005 – Frontier Insurance Company Subdivision Bond No. 152890 for Centennial Sec. 2 monuments and markers - \$3,300. 2) HCDB-B01-034 – Developers Surety and Indemnity Company Subdivision Improvements Performance Bond No. 886741S for Centennial Sec. 6 monuments and markers - \$1,440. 3) HCDB-2005-00044 Bond Safeguard Insurance Company Performance Bond No. 5016605 for Long Ridge Estates Sec. 1 monuments and markers - \$9,720. 4) HCDB-2005-00063 Bond Safeguard Insurance Company Performance Bond No. 5017298 for Maple Village Sec. 1 storm sewers, erosion control and monuments - \$380,784. 5) HCDB-2005-00064 Bond Safeguard Insurance Company Performance Bond No. 5017297 for Countryside Sec. 13 relocation of the John Edwards Drain - \$73,428. 6) HCDB-2005-00090 Bond Safeguard Insurance Company Performance Bond No. 5018391 for 169th Street reconstruction of storm sewers, monumentation and erosion control - \$360,444. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Payroll Claims

Mills requested approval of Payroll Claims for the period of May 7-20, 2007 paid June 1, 2007. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Vendor Claims

Mills requested approval of Vendor Claims to be paid May 30, 2007. Holt motioned to approve. Altman seconded. Motion carried unanimously.

4-H Fairgrounds Security

Howard stated the parks department uses ESG for security at their concerts. They charge \$15 per hour per man. They have had good service from them. Howard recommended the commissioners instruct the 4-H Buildings and Grounds Committee to have at least one and maybe more, if deemed advisable, security people on staff for concerts. They should add the hourly costs to their fee and contact Al Patterson to get the information. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Letters of Endorsement

Holt stated during the drainage board meeting an issue came up regarding federal legislation regarding HB 2421. The Surveyor has requested the drainage board members and county commissioners sign a letter objecting to the implementation of that legislation. Holt motioned that upon preparation of that letter that the commissioners endorse the letter. Altman seconded. Motion carried unanimously.

Altman stated Judge Hughes has been very active in the judiciary and is seeking a higher position. Altman motioned to send a letter of endorsement on behalf of the county commissioners. Holt seconded. Motion carried unanimously.

Holt motioned to adjourn. Altman seconded. Motion carried unanimously.
